By using the Amazon Services, you agree, on behalf of yourself and all members of your household and others who use any Service under your account, to the following conditions.

Please read these conditions carefully.

We offer a wide range of Amazon Services, and sometimes additional terms may apply. When you use an Amazon Service (for example, Your Profile, Gift Cards, Amazon Video, Your Media Library, Amazon devices, or Amazon applications) you also will be subject to the guidelines, terms and agreements applicable to that Amazon Service ("Service Terms"). If these Conditions of Use are inconsistent with the Service Terms, those Service Terms will control.

[Click here to see a non-exhaustive list of Amazon trademarks.](#) In addition, graphics, logos, page headers, button icons, scripts, and service names included in or made available through any Amazon Service are trademarks or trade dress of Amazon in the U.S. and other countries. Amazon's trademarks and trade dress may not be used in connection with any product or service that is not Amazon's, in any manner that is likely to cause confusion among customers, or in any manner that disparages or discredits Amazon. All other trademarks not owned by Amazon that appear in any Amazon Service are the property of their respective owners, who may or may not be affiliated with, connected to, or sponsored by Amazon.

PATENTS

One or more patents owned by Amazon apply to the Amazon Services and to the features and services accessible via the Amazon Services. Portions of the Amazon Services operate under license of one or more patents. [Click here to see a non-exhaustive list of applicable Amazon patents and applicable licensed patents.](#)

LICENSE AND ACCESS

Subject to your compliance with these Conditions of Use and any Service Terms, and your payment of any applicable fees, Amazon or its content providers grant you a limited, non-exclusive, non-transferable, non-sublicensable license to access and make personal and non-commercial use of the Amazon Services. This license does not include any resale or commercial use of any Amazon Service, or its contents; any collection and use of any product listings, descriptions, or prices; any derivative use of any Amazon Service or its contents; any downloading, copying, or other use of account information for the benefit of any third party; or any use of data mining, robots, or similar data gathering and extraction tools. All rights not expressly granted to you in these Conditions of Use or any Service Terms are reserved and retained by Amazon or its licensors, suppliers, publishers, rightsholders, or other content providers. No Amazon Service, nor any part of any Amazon Service, may be reproduced, duplicated, copied, sold, resold, visited, or otherwise exploited for any commercial purpose without express written consent of Amazon. You may not frame or utilize framing techniques to enclose any trademark, logo, or other proprietary information (including images, text, page layout, or form) of Amazon without express written consent. You may not use any meta tags or any other "hidden text" utilizing Amazon's name or trademarks without the express written consent of Amazon. You may not misuse the Amazon Services. You may use the Amazon Services only as permitted by law. The licenses granted by Amazon terminate if you do not comply with these Conditions of Use or any Service Terms.

YOUR ACCOUNT

You may need your own Amazon account to use certain Amazon Services, and you may be required to be logged in to the account and have a valid payment method associated with it. If there is a problem charging your selected payment method, we may charge any other valid payment method associated with your account. Visit [Your Payments](#) to manage your payment options. You are responsible for maintaining the confidentiality of your account and password and for restricting access to your account, and you agree to accept responsibility for all activities that occur under your account or password. Amazon does sell products for children, but it sells them to adults, who can purchase with a credit card or other permitted payment method. If you are under 18, you may use the Amazon Services only with involvement of a parent or guardian. Parents and guardians may create profiles for teenagers in their Amazon Household. Alcohol listings on Amazon are intended for adults. You must be at least 21 years of age to purchase alcohol, or use any site functionality related to alcohol. Amazon reserves the right to refuse service, terminate accounts, terminate your rights to use Amazon Services, remove or edit content, or cancel orders in its sole discretion.

REVIEWS, COMMENTS, COMMUNICATIONS, AND OTHER CONTENT

You may post reviews, comments, photos, videos, and other content; send e-cards and other communications; and submit suggestions, ideas, comments, questions, or other information, so long as the content is not illegal, obscene, threatening, defamatory, invasive of privacy, infringing of intellectual property rights (including publicity rights), or otherwise injurious to third parties or objectionable, and does not consist of or contain software viruses, political campaigning, commercial solicitation, chain letters, mass mailings, or any form of "spam" or unsolicited commercial electronic

messages. You may not use a false e-mail address, impersonate any person or entity, or otherwise mislead as to the origin of a card or other content. Amazon reserves the right (but not the obligation) to remove or edit such content, but does not regularly review posted content.

If you do post content or submit material, and unless we indicate otherwise, you grant Amazon a nonexclusive, royalty-free, perpetual, irrevocable, and fully sublicensable right to use, reproduce, modify, adapt, publish, perform, translate, create derivative works from, distribute, and display such content throughout the world in any media. You grant Amazon and sublicensees the right to use the name that you submit in connection with such content, if they choose. You represent and warrant that you own or otherwise control all of the rights to the content that you post; that the content is accurate; that use of the content you supply does not violate this policy and will not cause injury to any person or entity; and that you will indemnify Amazon for all claims resulting from content you supply. Amazon has the right but not the obligation to monitor and edit or remove any activity or content. Amazon takes no responsibility and assumes no liability for any content posted by you or any third party.

INTELLECTUAL PROPERTY COMPLAINTS

Amazon respects the intellectual property of others. If you believe that your intellectual property rights are being infringed, please follow our [Notice and Procedure for Making Claims of Copyright Infringement](#)

RISK OF LOSS

All purchases of physical items from Amazon are made pursuant to a shipment contract. This means that the risk of loss and title for such items pass to you upon our delivery to the carrier.

RETURNS, REFUNDS AND TITLE

Amazon does not take title to returned items until the item arrives at our fulfillment center. At our discretion, a refund may be issued without requiring a return. In this situation, Amazon does not take title to the refunded item. For more information about our returns and refunds, please see our [Returns Center](#).

PRODUCT DESCRIPTIONS

Amazon attempts to be as accurate as possible. However, Amazon does not warrant that product descriptions or other content of any Amazon Service is accurate, complete, reliable, current, or error-free. If a product offered by Amazon itself is not as described, your sole remedy is to return it in unused condition.

PRICING

"List Price" means the suggested retail price of a product as provided by a manufacturer, supplier, or seller. We regularly check List Prices against prices recently found on Amazon and other retailers. Certain products may have a "Was Price" displayed, which is determined using recent price history of the product on Amazon.

With respect to items sold by Amazon, we cannot confirm the price of an item until you order. Despite our best efforts, a small number of the items in our catalog may be mispriced. If the correct price of an item sold by Amazon is higher than our stated price, we will, at our discretion, either contact you for instructions before shipping or cancel your order and notify you of such cancellation. Other merchants may follow different policies in the event of a mispriced item.

We generally do not charge your credit card until after your order has entered the shipping process or, for digital products, until we make the digital product available to you.

APP PERMISSIONS

When you use apps created by Amazon, such as the Amazon App or Kindle App, you may grant certain permissions to us for your device. Most mobile devices provide you with information about these permissions. To learn more about these permissions, [click here](#).

SANCTIONS AND EXPORT POLICY

You may not use any Amazon Service if you are the subject of U.S. sanctions or of sanctions consistent with U.S. law imposed by the governments of the country where you are using Amazon Services. You must comply with all U.S. or other export and re-export restrictions that may apply to goods, software (including Amazon Software), technology, and services.

OTHER BUSINESSES

Parties other than Amazon operate stores, provide services or software, or sell product lines through the Amazon Services. In addition, we provide links to the sites of affiliated companies and certain other businesses. If you purchase any of the products or services offered by these businesses or individuals, you are purchasing directly from those third parties, not from Amazon. We are not responsible for examining or evaluating, and we do not warrant, the offerings of any of these businesses or individuals (including the content of their Web sites). Amazon does not assume any responsibility or liability for the actions, product, and content of all these and any other third parties. You should carefully review their privacy statements and other conditions of use.

DISCLAIMER OF WARRANTIES AND LIMITATION OF LIABILITY

THE AMAZON SERVICES AND ALL INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) AND OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH THE AMAZON SERVICES ARE PROVIDED BY AMAZON ON AN "AS IS" AND "AS AVAILABLE" BASIS, UNLESS OTHERWISE SPECIFIED IN WRITING. AMAZON MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, AS TO THE OPERATION OF THE AMAZON SERVICES, OR THE INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) OR OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH THE AMAZON SERVICES, UNLESS OTHERWISE SPECIFIED IN WRITING. YOU EXPRESSLY AGREE THAT YOUR USE OF THE AMAZON SERVICES IS AT YOUR SOLE RISK.

TO THE FULL EXTENT PERMISSIBLE BY LAW, AMAZON DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. AMAZON DOES NOT WARRANT THAT THE AMAZON SERVICES, INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) OR OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH THE AMAZON SERVICES, AMAZON'S SERVERS OR ELECTRONIC COMMUNICATIONS SENT FROM AMAZON ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. TO THE FULL EXTENT PERMISSIBLE BY LAW, AMAZON WILL NOT BE LIABLE FOR ANY DAMAGES OF ANY KIND ARISING FROM THE USE OF ANY AMAZON SERVICE, OR FROM ANY INFORMATION, CONTENT, MATERIALS, PRODUCTS (INCLUDING SOFTWARE) OR OTHER SERVICES INCLUDED ON OR OTHERWISE MADE AVAILABLE TO YOU THROUGH ANY AMAZON SERVICE, INCLUDING, BUT NOT LIMITED TO DIRECT,

INDIRECT, INCIDENTAL, PUNITIVE, AND CONSEQUENTIAL DAMAGES, UNLESS OTHERWISE SPECIFIED IN WRITING.

DISPUTES

Any dispute or claim relating in any way to your use of any Amazon Service will be adjudicated in the state or Federal courts in King County, Washington, and you consent to exclusive jurisdiction and venue in these courts. We each waive any right to a jury trial.

APPLICABLE LAW

By using any Amazon Service, you agree that applicable federal law, and the laws of the state of Washington, without regard to principles of conflict of laws, will govern these Conditions of Use and any dispute of any sort that might arise between you and Amazon.

SITE POLICIES, MODIFICATION, AND SEVERABILITY

Please review our other policies, such as our [pricing policy](#), posted on this site. These policies also govern your use of Amazon Services. We reserve the right to make changes to our site, policies, Service Terms, and these Conditions of Use at any time. If any of these conditions shall be deemed invalid, void, or for any reason unenforceable, that condition shall be deemed severable and shall not affect the validity and enforceability of any remaining condition.

Click [here](#) to see examples of what we collect.
- **Information from Other Sources:** We might receive information about you from other sources, such as updated delivery and address information from our carriers, which we use to correct our records and deliver your next purchase more easily. Click [here](#) to see additional examples of the information we receive.

We use your personal information to operate, provide, develop, and improve the products and services that we offer our customers. These purposes include:

- **Purchase and delivery of products and services.** We use your personal information to take and handle orders, deliver products and services, process payments, and communicate with you about orders, products and services, and promotional offers.

What About Cookies and Other Identifiers?

To enable our systems to recognize your browser or device and to provide and improve Amazon Services, we use cookies and other identifiers. For more information about cookies and how we use them, please read our [Cookies Notice](#).

Does Amazon Share Your Personal Information?

Information about our customers is an important part of our business, and we are not in the business of selling our customers' personal information to others. We share customers' personal information only as described below and with subsidiaries Amazon.com, Inc. controls that either are subject to this Privacy Notice or follow practices at least as protective as those described in this Privacy Notice.

- **Transactions involving Third Parties:** We make available to you services, products, applications, or skills provided by third parties for use on or through Amazon Services. For example, you can order products from third parties through our stores, download applications from third-party application providers from our App Store, and enable third-party skills through our Alexa services. We also offer services or sell product lines jointly with third-party businesses, such as co-branded credit cards. You can tell when a third party is involved in your transactions, and we share customers' personal information related to those transactions with that third party.
- **Third-Party Service Providers:** We employ other companies and individuals to perform functions on our behalf. Examples include fulfilling orders for products or services, delivering packages, sending postal mail and email, removing repetitive information from customer lists, analyzing data, providing marketing assistance, providing search results and links (including

paid listings and links), processing payments, transmitting content, scoring, assessing and managing credit risk, and providing customer service. These third-party service providers have access to personal information needed to perform their functions, but may not use it for other purposes.

- **Business Transfers:** As we continue to develop our business, we might sell or buy other businesses or services. In such transactions, customer information generally is one of the transferred business assets but remains subject to the promises made in any pre-existing Privacy Notice (unless, of course, the customer consents otherwise). Also, in the unlikely event that Amazon.com, Inc. or substantially all of its assets are acquired, customer information will of course be one of the transferred assets.
- **Protection of Amazon and Others:** We release account and other personal information when we believe release is appropriate to comply with the law; enforce or apply our [Conditions of Use](#) and other agreements; or protect the rights, property, or safety of Amazon, our users, or others. This includes exchanging information with other companies and organizations for fraud protection and credit risk reduction.

Other than as set out above, you will receive notice when personal information about you might be shared with third parties, and you will have an opportunity to choose not to share the information.

How Secure Is Information About Me?

We design our systems with your security and privacy in mind.

- We work to protect the security of your personal information during transmission by using encryption protocols and software.
- We follow the Payment Card Industry Data Security Standard (PCI DSS) when handling credit card data.
- We maintain physical, electronic, and procedural safeguards in connection with the collection, storage, and disclosure of customer personal information. Our security procedures mean that we may ask to verify your identity before we disclose personal information to you.
- Our devices offer security features to protect them against unauthorized access and loss of data. You can control these features and configure them based on your needs. Click [here](#) for more information on how to manage the security settings of your device.
- It is important for you to protect against unauthorized access to your password and to your computers, devices, and applications. We recommend using a unique password for your Amazon account that is not used for other online accounts. Be sure to sign off when finished using a shared computer. Click [here](#) for more information on how to sign off.

What About Advertising?

- **Third-Party Advertisers and Links to Other Websites:** Amazon Services may include third-party advertising and links to other websites and apps. Third-party advertising partners may collect information about you when you interact with their content, advertising, and services. For more information about third-party advertising at Amazon, including interest-based ads, please read our [Interest-Based Ads](#) notice. To adjust your advertising preferences, please go to the [Advertising Preferences](#) page.
- **Use of Third-Party Advertising Services:** We provide ad companies with information that allows them to serve you with more useful and relevant Amazon ads and to measure their effectiveness. We never share your name or other information that directly identifies you when we do this. Instead, we use an advertising identifier like a cookie or other device identifier. For example, if you have already downloaded one of our apps, we will share your advertising identifier and data about that event so that you will not be served an ad to download the app again. Some ad companies also use this information to serve you relevant ads from other advertisers. You can learn more about how to opt-out of interest-based advertising by going to the [Advertising Preferences](#) page.

What Information Can I Access?

You can access your information, including your name, address, payment options, profile information, Prime membership, household settings, and purchase history in the "Your Account" section of the website. Click [here](#) for a list of examples that you can access.

What Choices Do I Have?

If you have any questions as to how we collect and use your personal information, please contact our [Customer Service](#). Many of our Amazon Services also include settings that provide you with options as to how your information is being used.

- As described above, you can choose not to provide certain information, but then you might not be able to take advantage of many of the Amazon Services.
- You can add or update certain information on pages such as those referenced in [What Information Can I Access?](#). When you update information, we usually keep a copy of the prior version for our records.
- If you do not want to receive email or other communications from us, please adjust your [Customer Communication Preferences](#). If you don't want to receive in-app notifications from us, please adjust your notification settings in the app or device.
- If you do not want to see interest-based ads, please adjust your [Advertising Preferences](#).
- The Help feature on most browsers and devices will tell you how to prevent your browser or device from accepting new cookies or other identifiers, how to have the browser notify you when you receive a new cookie, or how to block cookies altogether. Because cookies and identifiers allow you to take advantage of some essential features of Amazon Services, we recommend that you leave them turned on. For instance, if you block or otherwise reject our cookies, you will not be able to add items to your Shopping Cart, proceed to Checkout, or use any Services that require you to Sign in. For more information about cookies and other identifiers, see our [Cookies Notice](#).
- If you want to browse our websites without linking the browsing history to your account, you may do so by logging out of your account [here](#) and blocking cookies on your browser.
- You can manage the recommendations you receive in our store [here](#), remove recommendations you don't want to see [here](#) by selecting View All and Manage then selecting the Remove Items toggle that appears at the top of the page, and edit your browsing history [here](#).
- You will also be able to opt out of certain other types of data usage by updating your settings on the applicable Amazon website (e.g., in "Manage Your Content and Devices"), device, or application. For more information click [here](#). Most non-Amazon devices also provide users with the ability to change device permissions (e.g., disable/access location services, contacts). For most devices, these controls are located in the device's settings menu. If you have questions about how to change your device permissions on devices manufactured by third parties, we recommend you contact your mobile service carrier or your device manufacturer.
- If you are a seller, you can add or update certain information in [Seller Central](#), update your account information by accessing your [Seller Account Information](#), and adjust your email or other communications you receive from us by updating your [Notification Preferences](#).
- If you are an author, you can add or update the information you have provided in the [Author Portal](#) and [Author Central](#) by accessing your accounts in the Author Portal and Author Central, respectively.

In addition, to the extent required by applicable law, you may have the right to request access to or delete your personal information. If you wish to do any of these things, please contact [Customer Service](#). Depending on your data choices, certain services may be limited or unavailable.
