

Tutorial: How to use SWAP

Register: Please fill all the fields listed. Also check *I agree to all the Terms and Conditions* box, only then you can access register button.

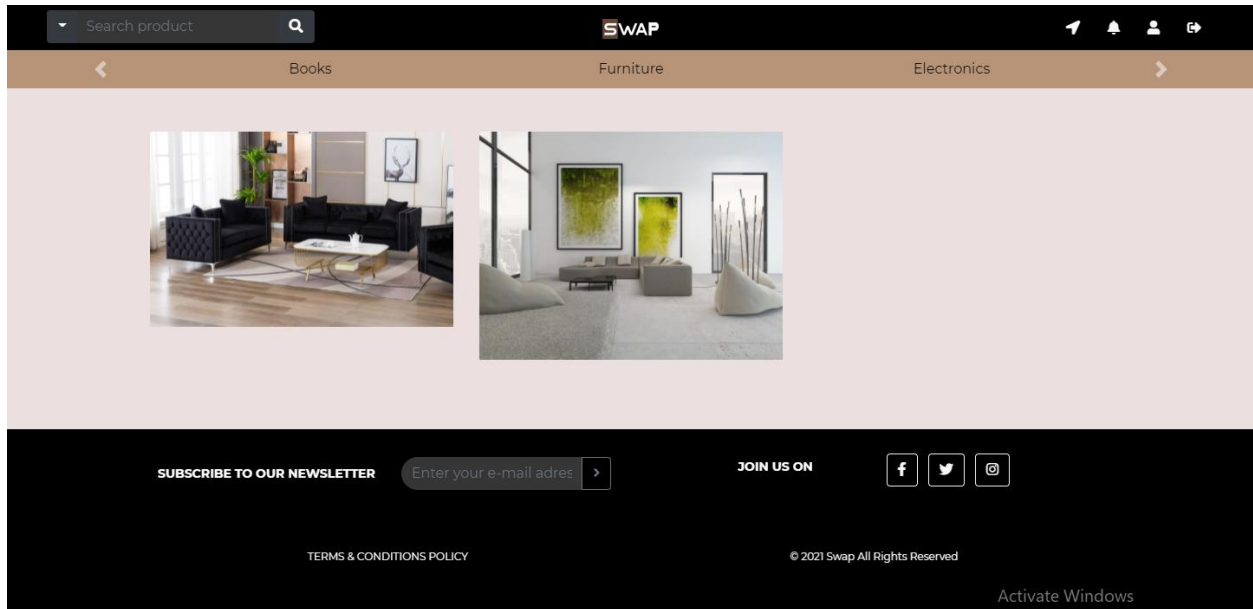

The screenshot shows a web browser window with a 'Sign Up' form. The form is titled 'Sign Up' and contains the following fields: First Name, Last Name, Username, Email, Password, Confirm Password, and Street. There are also fields for City (a dropdown menu showing 'Albania'), Zip, and a text area for 'Write something about yourself.'. A checkbox labeled 'I agree to all the Terms and Conditions' is present. A 'Register' button is located below the form. To the right of the form is an illustration of a person standing next to a laptop with a lock icon on the screen. The browser's address bar shows several tabs, including 'Apps', 'Chinese Dictionary...', 'How I calculate the...', 'Core Java Topics | C...', 'Calculus I', 'Learn web', 'Flexbox Guide | CSS...', 'Bootstrap Gallery...', 'Swap', 'Slack', and 'Reading list'. The Windows taskbar at the bottom shows the time as 1:34 AM.

Login: Fill the fields correctly, email and password you used when you first registered.

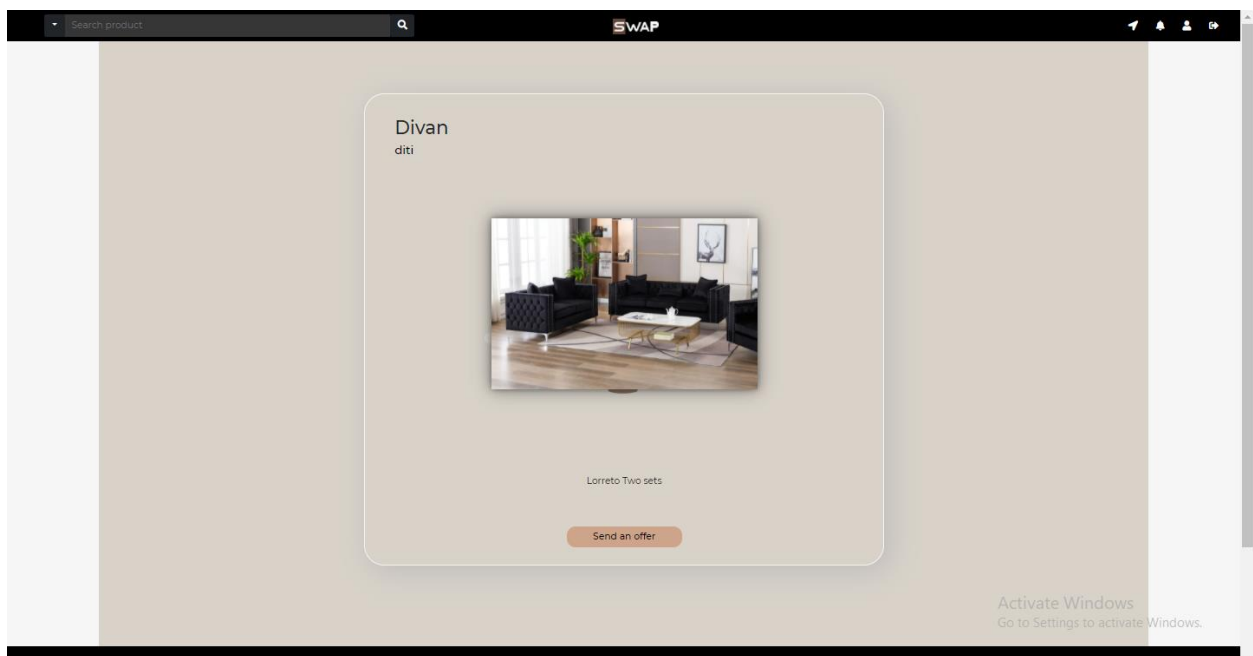

The screenshot shows a web browser window with a 'Log in' form. The form is titled 'Log in' and contains the following fields: 'Your email' and 'Password'. There are links for 'Forgot Password?' and 'Sign up'. A 'Log in' button is located below the form. To the left of the form is an illustration of a person's head and shoulders. The background of the form is a light gray with a white vase containing white flowers on the left. The Windows taskbar at the bottom shows the time as 1:34 AM.

After register/login: This is the first page you will see. Here are listed the products from other users. If you move your mouse above the photo you will see a description of the product. Also if you click on it, you will open the product page. There you will see more details about this product. On the top of the page, you have search bar, it is set as default to search for a product. But if you want to search the products regard a category or a user's product, you should click on the ▾ and choose the one you want. After that start searching.

Product page: Product name, User username, photo and a description of the product will be shown. Also there is a send an offer button which allow you to choose one of your products and send this offer to the other user. User will get this offer as a notification.

My profile: Here you can add products, delete or edit them. Also you can edit your profile or even change password.
